SPORTS OF ALL KINDS

Baseball.

In less than a week the Glens will be on their way. They leave for Los Angeles next Sunday morning. Eight thousand miles of traveling before they get back to New York!

Ralph Glaze, the Dartmouth pitcher, has promised to win twenty more games for the Boston Americans the coming season.

Tom Hughes, the ex, has promised to be very, very good this year. Camille says he will have to be, or the lengthy pitcher will be another ex.

Wadell, Glaze, Smith and Griffith each had an equal number of wins and losses last season.

Harris, of the Boston Americans, only won two out of twenty-three games he pitched in 1906. Still he didn't "let down."

As the time approaches for the White Sox to go to Mexico several players are talking on the trip.

Jake Stahl is still on the anxious seat. He still refuses to play in Washington again.

Boxing.

Tommy Ryan thinks he can take the welter-weight championship away from Honey Melody. He issues a challenge in which he says he will fight him in better than to get in the ring with Melody.

Will Fitzgerald and Link Russell have been matched for six rounds before the National Athletic Club of Philadelphia. The date for the bout has not yet been announced.

Spoke Johnson will have a big following on the night of his bout with Tommy Murphy before the National Athletic Club. Spoke is working hard for the bout, as he figures a victory of the Harlem fighter would be a real thing for him.

Another report has it that Jim Jeffries is getting tired of the farm life and will meet some of the heavyweights shortly. Billy Deane is said to have made a statement, but no one seems to take it seriously.

Ed Dickerson, the manager of Harry Lewis, of Philadelphia, is anxious to watch his boy with Honey Melody for the welter-weight title.

Athletics.

The University Settlement athletes have strong hopes of winning the interschool Athletic Association championship this spring. The University boys have secured the services of W. Brown, the former champion all-around athlete of De Witt Clinton High School, as track and field coach.

William Nelson, the five-mile national champion, is practically out of the Pastime Athletic Club. Nelson is at present wearing the red shirt of the Twenty-second Regiment.

George Bonham will be a hot favorite for the two-mile scratch race at the Boston Athletic Association games next Saturday night. Bonham has never lost a race in Boston. His speedy and heavy work has made him a great favorite in that burg.

Jim Teevan, the Canadian, quarter-mile champion, has yielded up the "nothing" championship to Anthony Zink, of Columbia University.

Word comes from Chicago that James D. Lightbody has left college and is devoting his energies to business. There is a slight possibility that Lightbody may come to New York to live, in which case he would join one of the big local clubs.

Racing.

The Kentucky Racing Commission has arranged dates for the Lexington, Louisville and Latonia meetings.

W. Gould Brockway has purchased Delacata, the winner of the first Harbor Hill Cup. Jockey Herman Radtke may ride in California.

Medical Schools Will Have Teams

Will Be Out for Baseball Honors This Year—Practice to Begin Soon.

Both the medical colleges of the city are making preparations to get out strong baseball teams, and preliminary practice will soon begin. Each institution has a list of men who have achieved some triumph on the diamonds of academi colleges, and the teams should be the equal of any amateurs in the city. The chief difficulty lies in the limited time which is allowed the men for practice, as the studies of a medical student are all pressing and almost unending. Despite this obstacle, however, the two colleges got out good teams last year, and they expect them to be no less creditable this season.

MACKAY BEATS BROOKE AND

Amateur Champion Wins From the Philadelphian in Three Straight Sets.

TUXEDO PARK, February 18.—Clarence H. Mackay, of the New York Tennis and Racquet Club, by defeating George H. Brooke, ex-amateur champion, of the Philadelphia Racquet Club, in three straight sets, on the courts of the Tuxedo Tennis and Racquet Club, still retains his title as amateur champion of the Eastern States and the gold racquet. Mackay, by winning to-day, scored the third leg in the \$500 gold racquet presented to club by Hugo Baring four years ago, and the gold racquet becomes his personal property. The galleries were crowded with a large fashionable gathering who were spending the day at Tuxedo.

Play was begun at 2:30 o'clock, after both men had warmed up. Brooke spun his racquet and won the toss, and started the service from the right-hand side, scoring two aces by service in his first hand, while Mackay failed to score. In the next hand Brooke added another ace by placing and Mackay one by service; at this point, Mackay, with 3 to 1 against him, evened honors and at the end of the third hand the score was 5 all. Mackay scored three in the next hand to Brooke's two and finally won out in the seventh hand at 15-8.

In the second game Mackay had things his own way, showing speed and accurate placing, while Brooke relied on his punning service. Mackay finally winning out at 15-8. The third game was very stubbornly fought throughout, the score zigzagging with honors nearly even up to the last hand, with the score 13-12 in Mackay's favor. At the end of his seventh hand Brooke lost a hard shot to the front wall, Mackay scoring the two necessary aces and the match with the eighth hand at 15-12.

Both men were in their best form, especially Mackay, who played a very fast game and a fine exhibition of racquets, while Brooke seemed rather slow getting around the court.

The audience applauded the player at each good play and long rally. Following is the score:

FIRST GAME.
Brooke 2 1 2 3 1 0 0-8
Mackay 0 1 4 3 0 1 0-15

SECOND GAME.
Mackay 0 0 0 1 1 0 10-15
